PRO PATRIA, PRO LEGE, PRO REGE.

MONDAY, FEBRUARY 20, 1775.

Charles-Town: Printed by PETER TIMOTHY, Printer to the Honourable the Commons House of Assembly,

At his OFFICE, removed from the BAY into BROAD-STREET, the Corner of GADSDEN's ALLEY, a few Doors above the Exchange: *Where Advertisements for this Gazette, Letters of Intelligence, &c. will be received, and all Kinds of Printing Work done with Accuracy and all possible Dispatch; and where he will soon have for Sale, a* SUPPLY *of all the different Kinds of* BLANKS *used in this Colony.*

We have been favoured with the following Copy of an ASSOCIATION, entered into by Forty-five of the Deputies, assembled in Provincial Congress, at Savannah in Georgia, on the 18th of last Month, and by them subscribed on the 23d—when they chose NOBLE-WIMBERLEY JONES, ARCHIBALD BULLOCH, and JOHN HOUSTOUN, Esqrs. Delegates to represent that Colony in the Continental Congress, to be held in May next.

The ASSOCIATION.

WHEREAS a Non-Importation, Non-Consumption, and Non-Exportation Agreement, faithfully adhered to, will probably prove the most speedy, effectual, and peaceable Measure, to obtain Redress of American Grievances: WE DO THEREFORE, for ourselves, and our Constituents, firmly agree and associate, under the Sacred Ties of Virtue, Honour, and Love of our Country, as follows:

First. THAT we will not receive into this Province, any Goods, Wares, or Merchandizes, that shall be shipped from Great-Britain, or Ireland, after the fifteenth Day of March next; or from any other Place, any such Goods, Wares, or Merchandizes, as shall be shipped from those Kingdoms after that Time: except such as come under the Rules and Directions of the NINTH Article herein after mentioned; and except such Goods, Wares, and Merchandizes, as are absolutely necessary for carrying on the Indian Trade, SUBJECT nevertheless, to the Controul of the Continental Congress intended to be held at Philadelphia, on the Tenth Day of May next.—Nor will we, from this Day, import or purchase, any Tea from any Part of the World, nor import any Molasses, Syrups, Panelles, Coffee, or Piemento, from the British Plantations, or from Dominica, nor Wines from Madera, or the Western Islands, nor foreign Indico.

Second. That we will neither import, or purchase any Slaves imported from Africa, or elsewhere, after the Fifteenth Day of March next.

Third. That we will not export any Merchandize, or Commodity whatsoever, to Great-Britain or Ireland, or to the West-Indies, after the First Day of December next, except Rice to Europe.

Fourth. Such as are Merchants, and use the British and Irish Trade, will give Orders, as soon as possible, to their Factors, Agents and Correspondents in Great-Britain and Ireland, not to ship any Goods to them on any Pretence whatsoever, as they cannot be received in Georgia; and if any Merchants residing in Great-Britain or Ireland, shall directly or indirectly ship any Goods, Wares or Merchandizes for this Province, in order to break such Non-Importation Agreement, or in any Manner contravene the same, on such unworthy Conduct being well attested, it ought to be made public, and on the same being so done, we will not from thenceforth, have any commercial Connections with such Merchant.

Fifth. That such as are Owners of Vessels will give positive Orders to their Captains or Masters, not to receive on board their Vessels, any Goods prohibited by the said Non-Importation Agreement, on Pain of immediate Dismission from their Service.

Sixth. We will use our utmost Endeavours to improve the Breed of Sheep, and encrease their Number to the greatest Extent, and to that End we will kill them as sparingly as may be, especially those of the most profitable Kind; nor will we export any to the West-Indies, or elsewhere; and those of us who are, or may become overstocked with, or can conveniently spare any Sheep, will dispose of them to our Neighbours, especially to the poorer Sort, on moderate Terms.

Seventh. That we will, in our several Stations, encourage Frugality, Oeconomy, and Industry, and promote Agriculture, Arts and the Manufactures of America, especially that of Wool; and will discountenance and discourage every Species of Extravagagance and Dissipation, especially Horse-Racing, and all Kinds of Gaming, Cock-fighting, Exhibitions of Shews, Plays, and other expensive Diversions and Entertainments; and, on the Death of any Relation, or Friend, none of us, or our Families, will go into any farther Mourning Dress than a black Crape or Ribbon, on the Arm or Hat, for Gentlemen; and a black Ribbon and Necklace for Ladies; and we will discontinue the giving of Scarves and Gloves at Funerals.

Eighth. That such as are Venders of Goods or Merchandize, will not take Advantage of the Scarcity of Goods that may be occasioned by this Association, but will sell the same at the Rates they have been accustomed to do, for twelve Months last past: And, if any Vender of Goods or Merchandize, shall sell any Goods on higher Terms, or shall, in any Manner, or by any Device whatsoever, violate or depart from this Agreement, no Person ought, nor will any of us deal with any such Person, or his or her Factor or Agent, at any Time thereafter, for any Commodity whatever.

Ninth. In Case any Merchant, Trader, or other Person shall receive any Goods or Merchandizes, which shall be shipped after the fifteenth Day of March, and before the fifteenth Day of May next, the same ought to be forthwith, at the Election of the Owner, to be either re-shipped or delivered to the Committee of the Town, Parish, or District, wherein they shall be imported, to be stored, at the Risque of the Importer, until the Non-Importation Agreement shall cease, or be sold, under the Direction of the Committee aforesaid; and, in the last-mentioned Case, the Owner or Owners of such Goods shall be re-imbursed (out of the Sales) the first Cost and Charges; the Profit, if any, to be applied towards relieving such poor Inhabitants of the Town of Boston as are immediate Sufferers Port-Bill, and a particular Account of all Goods so returned, stored, or sold, to be inserted in the Public Papers: And, if any Goods or Merchandizes shall be shipped after the said fifteenth Day of May next, the same ought forthwith to be sent back again, without breaking any of the Packages thereof.

Tenth. That a Committee be chosen in every Parish, Town, and District, by those who contribute towards the General Tax, whose Business it shall be, attentively to observe the Conduct of all Persons touching this Association, and when it shall be made to appear, to the Satisfaction of a Majority of any such Committee, that any Person within the Limits of their Appointment, has violated this Association, that such Majority do forthwith cause the Truth of the Case to be published in the Gazette, to the End that all such Foes to the Rights of British America, may be publicly known, and universally contemned as the Enemies of American Liberty, and thenceforth we will respectively break off all Dealings with him or her.

Eleventh. That the Committee of Correspondence do frequently inspect the Entries of the Custom-House, and inform the Committees of the other Provinces, from Time to Time, of the true State thereof, and of every other material Circumstance that may occur, relative to this Association.

Twelfth. That all Manufactures of this Province be sold at reasonable Prices, so that no undue Advantages be taken of a future Scarcity of Goods.

And we do solemnly bind ourselves, and our Constituents, under the Ties aforesaid, to adhere to this Association, until Americam Grievances are redressed.

The foregoing Association being determined upon by the Congress, was ordered to be subscribed by the several Members thereof, and thereupon, we have hereunto set our respective Names accordingly.

WILLIAMSBURG, *(in Virginia,) Dec.* 22.

At a meeting of the officers, under the command of his Excellency the right honourable the Earl *of* DUNMORE, *convened at fort* Gower **, November* 5, 1774, *for the purpose of considering the grievances of* BRITISH AMERICA, *an officer present addressed the meeting in the following words:*

"GENTLEMEN,

"HAVING now concluded the campaign, by the assistance of Providence, with honour and advantage to the colony and ourselves, it only remains that we should give our country the strongest assurance, that we are ready at all times, to the utmost of our power, to maintain and defend her just rights and privileges. We have lived about three months in the woods, without any intelligence from Boston, or from the Delegates at Philadelphia. It is possible, from the groundless reports of designing men, that our countrymen may be jealous of the use such a body would make of arms in their hands at this critical juncture. That we are a respectable body is certain, when it is considered that we can live weeks without bread or salt, that we can sleep in the open air, without any covering but that of the canopy of heaven, and that our men can march and shoot with any in the known world. Blessed with these talents, let us solemnly engage to one another, and our country in particular, that we will use them to no purpose, but for the honour and advantage of America in general, and of Virginia in particular. It behoves us then, for the satisfaction of our country, that we should give them our real sentiments, by way of Resolves, at this very alarming crisis."

Whereupon the Meeting made choice of a Committee to draw up and prepare Resolves for their Consideration, who immediately withdrew; and after some time spent therein, reported, that they had agreed to and prepared the following Resolves, which were read, maturely considered, and agreed to *nemine contradicente*, by the Meeting, and ordered to be published in the Virginia Gazette.

Resolved, That we will bear the most faithful allegiance to his Majesty King George the IIId. while his Majesty delights to reign over a brave and free people; that we will, at the expence of life, and every thing dear and valuable, exert ourselves in support of the honour of his Crown and the dignity of the British Empire. But, as the love of Liberty, and attachment to the real interests and just rights of America outweigh every other consideration, we resolve, that we will exert every power within us for the defence of American Liberty, and for the support of her just rights and privileges; not in any precipitate, riotous, or tumultuous manner, but when regularly called forth by the unanimous voice of our countrymen.

Resolved, That we entertain the greatest respect for his Excellency the Right Honourable Lord Dunmore, who commanded the expedition against the Shawanese, and who, we are confident, underwent the great fatigue of this singular campaign, from no other motive than the true interest of this country. Signed by order, and in behalf of the whole corps.

BENJAMIN ASHBY, Clerk.

* *Situated at the junction of the Ohio and Hockhocking river, 100 miles below Fort Dunmore.*

CHARLES-TOWN, FEBRUARY 29.

FRIDAY last, being the Day that was set apart, by the *common Consent* of the Inhabitants of the whole Colony represented in Provincial Congress in January last, to be observed as a DAY of FASTING, HUMILIATION and PRAYER to Almighty God, on the present critical Situation of America, the same was observed here with all due Solemnity; and Sermons, suitable to the Occasion, were preached in St. Philip's Church, in the Independent and Baptist Meeting-Houses, and in the French and Dutch Churches: In St. Michael's Church, the usual Prayers only were read; and the Scots Meeting-house Doors were shut; nevertheless, the Rev. Mr. Howat's and the Rev. Mr. Cooper's Congregations, in general, joined in the Public Worship of the Day, with other Congregations.—No Stores or Shops were opened, no public Market was kept, and from the Morning 'till the Evening, was every where observed equal to a Sabbath. The Members of the Commons House of Assembly went, in Form, to St. Philip's Church; where they heard so excellent a Discourse, delivered by the Rev. Robert Smith, that immediately upon their Return, the Thanks of the House were voted to him. The Members of the late Provincial Congress, also went in Procession from the Assembly-Room, following the Members of the Commons House of Assembly.

The 10th Article of the Continental Association says, "*if any Goods, or Merchandizes shall be imported*" [into any of the associated Colonies] "*after the first Day of* "*February, the same ought* FORTHWITH *to be sent* BACK "AGAIN," which seems to imply that the Persons to whom such Goods are consigned, cannot send the same to any other Ports than those from whence they were brought, without subjecting themselves to Censure, as violating the said Association.—There are now two Cargoes here thus circumstanced.

We are informed, That all the Inhabitants of the populous and wealthy Parish of St. John, in Georgia (in which lies the second and best Sea-Port in that Colony) before they sent Deputies to the Provincial Congress opened at Savannah on the 18th of January, (on the 2d of December) subscribed *their full Accession to the General Association entered into at the General Congress held at Philadelphia, in the Month of October last, on Condition that Trade and Commerce might be continued to them with the other Colonies.*" And that, when the Deputies from St. John's Parish, found that the People of Savannah in Christ-Church Parish were inclined to frame a different Association, incompatible with the Continental one, the said Deputies withdrew, and did not sit in the Georgia Provincial Congress. The Inhabitants of St. John's Parish, have since (on the 9th Instant) had another Meeting, when they appointed three of their Committee, to wait upon the General Committee here, with a full Account of all their Proceedings; and the said Gentlemen are hourly expected.

Last Thursday died, reported to be upwards of 80 Years of Age, Mr. James MacAlpine, formerly esteemed a eminent Teacher of Music here. It is said he arrived in this Colony at the Æra of 19 Years.

On Saturday Evening died, much lamented by all that were acquainted with her, Mrs. Providence Prioleau, the Wife of Samuel Prioleau, Esq; a great Part of whose Life was spent in Acts of Beneficence to the Poor, and in affording Assistance and Relief to the Sick of all Sorts.

The Price of Rice continues to be 50 s. the 100lb. Weight—and of Indico (the best Sort) from 30 s. 6d. to 32 s. the Pound.

The Quantity of those Articles, of the present Crop, cleared from this Port only, is,

Of Indico, — — 1,225,750 Pounds.
Of Rice, — — — 30,000 Tierces.

Considerable Quantities of Indico have likewise been shipped from the Ports of Beaufort and George-Town.

On Monday last, Thomas Pinckney, Esq; was admitted an Attorney of His Majesty's Courts in this Colony.

Extract of a Letter from a Gentleman in Bristol, to his Friend here, dated December 28.

PARLIAMENTARY INTELLIGENCE.—"Mr. *Rose Fuller* moved, that before the House resolved upon the "Army Estimate, the American Affairs should be first "considered, and the necessary Papers laid before them.

"Lord North replied, that he should have prevented "the Hon. Gentleman's Motion, by doing it himself at "a proper Season. That he was unprepared. But after "the Holidays he should refer them, to be considered by "the House. That no Person could be more sincerely "grieved than he was, at the present unhappy Dispute. "But the House will be pleased to remember, that, at "the passing of the Acts many joined in Opinion, many "were much more sanguine than he was; and that it was "the general Idea, that vigorous Measures alone would "reduce the Americans to Obedience. That some Expressions of his, delivered in the Heat of Debate, had "been unjustly represented, on both Sides the Water. "He hoped, he should not be answerable for the Event. "With Respect to the Army Estimate then before them, "it was Time enough to make an Augmentation, if "the House thought it necessary, when they considered "the Business. That the Seamen were voted 4000 less; "yet, if it was thought necessary to form a Line of Ships "along the Coast, it was then Time enough to apply to "Parliament.

"Upon the whole, he was extremely passive.——"

Extract of another Letter from a Gentleman in Bristol, dated December 20th.

"——— The General Association in America, "occasions much Conversation, and many serious Faces: "I pray God, it may be productive of Good. A Change "in the Ministry is talked of; which would be a desirable Event in the present Situation of Affairs.—Lord "North has promised that, after the Holidays, he will "submit every Information, and the whole Business, to "the Consideration and Determination of the House.—"

An Address to Mr. W-ll-r.

W-LL-R, if you intend to write,
Or any Kind of Sense you would indite;
At Mrs. D——s's I do beseech
You'll provide Somebody yourself to teach.
From Six to Nine, in every Morn,
Your Poetic Mind you should adorn;
By Advice adapted to your manly Years,
Mild and instructive, to dispel your Fears;
Thus raise a noble Ardour in your Breast,
To strive at Genius, and be of Wit possest:
Invoke the Muses Aid, and still aspire,
To exalted Ideas, soaring higher and higher.
Such noble Thoughts will then adorn your Mind,
You'll spurn all Vice, and Godlike Virtue find:
The Frowns of Fortune, will no more distress,
You'll always find much Comfort in your Breast;
Perhaps, as Tutor, you may play your Part,
And make Impressions on the tender Hart,
Of some young Pupil; who may then imbibe,
The force of Love 'till in a Coach you ride.—
Tho' I'm no Poet, I cannot hold my Peace,
But wish you happy with the Critic's Niece;
Because the Lady's Favour you implore,
When that's obtain'd, you say you wish no more.

AMICUS.

THE HOUSE where I have kept Store upwards of Twenty Years, upon the Bay of George Town, with the Back-Stores and Wharf, TO BE LET by the Year, or on Lease of Four or Five Years; to be entered upon directly, provided the Parties take the small REMAINS OF GOODS upon Hand, which will be disposed of Reasonable.——It is incredible, to think what a great Trade may be carried on in this little Place, were there a greater Number of Stores. The few that are here already, sell upwards of Four Hundred Thousand Pounds a Year, and, have lately drawn down great Numbers of Waggons with Effects and Monies, once and twice a Year, from the WAXSAWS, and many different inland Parts of NORTH-CAROLINA, and the Numbers are daily increasing, as they find they can get Supplies.

Some Time in the Summer, will also BE TO LET,

THE Brick House, Back Stores, and Wharf upon the Bay, the S. E. Corner of Broad-street, where Messrs. *Heriot, Tucker* & Co. now keep their Store, as the said Gentlemen have purchased a Bit of Land, and are building a House and Store thereon.—Those Persons, who hire the above of me (as they may be Strangers in these Parts) shall always be welcome to any Advice I can give them: Security, if required, to be given for the Purchase of the Remains of Goods.

PHILADELPHIA, JANUARY 25.

Last Saturday was publicly whipped the third time, in this city, a certain *Eleanor Harper*, having been convicted at the last Mayor's Court, on three indictments, for stealing sundry goods from different persons.—When she came first here, a few weeks since, she appeared well dressed, with her gold watch, and had with her two young negro men to wait on her; went to several shops to buy goods, and was suspected to have stolen some. On searching her room at her lodgings, several trunks were found, and in them some of the goods she had stolen here, with many others, supposed to be stolen elsewhere.—On examining the negro men since her commitment to goal, one of them says his name is *Jemmy*, that he belongs to Mr. *Solomon Legaré*, a chair-maker in Charles-Town, South-Carolina; that though she now calls herself *Harper*, she went under the name of *Clarke* in Charles Town, and lodged at Mrs. Wetsell's; that she hired a chair from a person who keeps a livery stable there to go a few miles, and perswaded him to leave his master; that they had not got many miles from Charles-Town before they met with the other negro on the road, with a horse, going to his master; that she perswaded him also to come with her; his name is *Will*, and belongs to Mr. *Pontet*, a shipwright at White-Point; after this they travelled to Cape-Fear, in North-Carolina, where the negro *Jemmy* says she sold the horses and chair, and took her passage in a sloop bound to this place, and brought him and this negro with her; that soon after her arrival here, she was taken up as before-mentioned for stealing.—It appears from others who knew her, that she lived once in New-York, and on Long-Island, and went there at different times under the names of *Clarke*, *Heysham*, and *Harper*, and was obliged to leave New-York for stealing.—It is to be hoped from this public account given of her, the true owners of the negroes and watch will appear.

Extract of a letter from Amsterdam, dated November 15, 1774.

"Since my last a very extraordinary affair has happened here, a small Brig, Page, Master, from Rhode-Island or Boston, was loading cordage, junk, powder, guns, &c. of which the Ministry got intelligence, and sent to Dover for a small *Cutter*, with thirty hands, six three pounders, &c. to come directly here, and lay until she sailed, and attend her until she got to sea, and then board her, and carry her to England. The cutter arrived the 23d or 24th of Oct, up here, the brig had a full load, and was ready to sail at that time; but the officers on coming ashore, by good fortune, came to the house where I lodge, and in a few hours I discovered their business, though at that time it was a profound secret to those very men; for they were hurried off from Dover after dark, and it was the *over secrecy* of the captain that made me suspect what the officers said; and as this was the only vessel then in port, of the kind, I was at no loss, I called that night on Mr. Hodson, to acquaint him with my suspicions, which he could not believe; but he has had sufficient proof since, for they lay looking at each other from that time to the 8th inst. when the brig made sail, and the sloop got under way, which the brig seeing came to, and has landed her cargo. There is certain advice that the cutter's people went down to Texel, and got all the brig's papers from the Custom-house there, and also at this town.

"There is a New-York brig arrived since, but the merchants will not ship any goods in any English vessels, as there are several cutters cruizing off Dover, to search all English vessels going thro' that passage, for arms, &c."

Lord Dunmore, Governor of Virginia, has prorogued the meeting of the Assembly of that province to the first Thursday in May, thereby intending to shew the World, that although his troops have had no grant of monies for their service, it is better to have faith for their pay, than that the Assembly should have an opportunity to appoint Delegates for the Congress in May: The Virginians have, therefore, called a convention for the purpose of appointing Delegates, &c.

The Governor of Maryland has also prorogued his Assembly.

Extract of a letter from New-York, Jan. 17.

"On Tuesday it was moved in Assembly, that on Thursday the House do appoint a day in which to go into the proceedings of the Congress, and at the instigation of a member, the motion was withdrawn;—and on Thursday it was again moved, that the House would take into consideration the proceedings of the Congress, when Mr. ——— moved that the motion be not put;—on which debates arose, and on the division, there appeared *eleven* for Mr. ———'s motion, and *ten* against it,—whereby they will probably shew themselves to be the only Assembly on this Continent, who do not approve of the proceedings of the Congress."

GIBBES's WHARF,
At SOUTH-BAY,

BEING now capable of admitting Vessels of any Burthen, to load or unload at it, the Subscriber will be obliged to all those Persons who will favour the said Wharf with their Business, as he has been at great Expence and Trouble in making it convenient, especially to Boats that pass down *Ashley-River*; which, by unloading there, will avoid the many Risks and Inconveniencies they are exposed to by going round White-Point, and which are very obvious to every discerning Person, more particularly open Boats: And, as it is of Public Utility, by being a Security to the South-West Side of the Town, he hopes for the Public Patronage.

His Friends, the PLANTERS, need not be under any Apprehensions of RICE not selling as well there as at any other Wharf, as has been experienced during the last and present Year, as very little Rice has been stored there from the quick Sale of what has been landed there: And having had Assurances from many respectable Gentlemen, both in the Planting and Mercantile Interest, of their friendly Intentions to send Vessels there to load, being convinced of the Safety of that River, and the Convenience of the Wharf and Stores, with the Dispatch they meet with; he likewise flatters himself, that the many Persons that use it as a Ferry, and do not land their Crops there, will not have any Objections to contribute to the Support of it, by an annual Subscription.

He has fixed a SCALE-HOUSE at the Head of the Wharf, for the more convenient weighing of Rice that may be sold on landing and to be immediately shipped, and will, as soon as it is necessary, add to the Number of Stores.

From the Quantity of LUMBER already shipped from thence, it is evident no Place in Town is more proper for that Article, as well as for NAVAL STORES.

All Vessels shall, for their BALLAST, be entitled to their Wharfage and Water, with Liberty to heave down and clean, as a proper Place is fixed for that Purpose, and to which the Pilot-Boats are also welcome.

WILLIAM GIBBES.

☞ FIFTEEN very convenient, pleasant and well-situated LOTS of LAND, contiguous to the Wharf, on a good Clay Foundation, and have as good Water as any in Town, to be disposed of by private Contract, upon easy Terms, and the Purchasers shall have the Privilege of landing at the Wharf, gratis, their Materials for building thereon.

He has still a few leisure Hours every Day, which he would be glad to employ in teaching YOUNG LADIES to write:—And in this public Manner, begs Leave to return his most grateful Thanks, to the Parents and Guardians of those he has already taught.
